Sailing Aboard the Schooner "Pride"

May 16, 2022 | 3 - 5:30 p.m.

The Pride is an 84-foot authentic tall ship which sails Charleston's historic harbor and the South Carolina coastal waters. Enjoy a two-hour harbor cruise. With the engine off and sails full, the Pride quietly glides along as guests enjoy the natural sounds of dolphins, gulls, wind, and water. A tour guide will be on board to point out Charleston Harbor's many historic landmarks including Fort Sumter, Castle Pickney, the USS Yorktown, and Charleston's port city history. It is an experience that is both relaxing and awe-inspiring to see the wind and sails drive such a vessel. Guests are permitted to help with the sailing or just sit back and enjoy while your private guide regales guests with stories and history of Charleston and life on the water. **Capacity is limited to 35 guests.**
